**ARTICLE V**  
**MEMBERSHIP AND VOTING**

5.01 Membership.

(a) There shall be one Membership appurtenant to each Unit. The Membership appurtenant to a Unit shall be held by the Owners or Lessees of that Unit and may not be separated from the Unit to which it is appurtenant.

(b) A Membership may be transferred or encumbered only in connection with the conveyance or encumbrance of a fee simple interest in the Unit to which such Membership is appurtenant or, if a Unit is subject to a Condominium Lease, assignment or encumbrance of the Lessee's interest under the Condominium Lease, provided, however, that the rights of membership may be assigned to the holder of a mortgage, deed of trust, or other security instrument on a Condominium Unit as further security for a loan secured by a lien on such Condominium Unit. Any transfer or encumbrance of a Membership other than as permitted in this paragraph 5.01(b) shall be void and have no force or effect. A Person automatically becomes a member of the Association upon becoming an Owner or a Lessee and remains a member for the period of his ownership or the term of his Condominium Lease.

5.02 Voting.

(a) The total number of votes allocated to all Memberships shall be 10,000. The number of votes to which a Membership is entitled shall be equal to the product obtained by multiplying:

(b) If a Condominium Unit has more than one Owner or Lessee and such Owners or Lessees cannot agree among themselves how to cast the votes allocated to their Membership on a particular matter, they shall lose their right to vote on such matter. If any Owner or Lessee casts a vote representing a Membership having more than one Owner or Lessee, it will thereafter be presumed for all purposes that such Owner or Lessee was acting with the authority and consent of all other Owners or Lessees with whom such Owner or Lessee shares the Membership, unless objection thereto is made to the Person presiding over the meeting at the time the vote is cast. If a Membership is voted more than one way with regard to a particular matter, all of such votes shall be deemed null and void.

(c) In any election of Directors to the Executive Board, every Membership shall have a number of votes equal to the product obtained by multiplying:

(i) the number of Directors to be elected to the Executive Board by such election, by

(ii) the number of votes allocated to that Membership.

(d) Cumulative voting shall not be allowed in the election of Directors to the Executive Board or for any other purpose.

(e) Notwithstanding the terms and conditions of paragraph 5.02(a) above, the Association shall have no voting rights for any Membership appurtenant to any Unit owned or leased by the Association. In the event that the Association leases a Unit from an Owner, the Membership appurtenant to such Unit shall remain with the Owner.
